Event: NK Election Night Hang-Out

Date: Friday 17th April 2026

Time: 6:30 PM

Venue: Mangroove Mazeras, Langata

Brief Synopsis The evening brought the community together at Mangroove Mazeras for a milestone leadership transition and social gathering that drew a packed house of 48 attendees. Set against the venue's cozy, natural wooden aesthetic, the event focused on expanding the structural capacity of the NK family. To responsibly manage growing club funds, a brand-new Treasurer office was introduced alongside a newly filled Vice Chairperson role, while four proven leaders, including the Chairperson, were re-elected for a consecutive two-year term. Although a few newly elected officials could not be present, the night maintained a vibrant energy with sound by Mato (Venice Acoustics), concluding with a joint birthday celebration and a massive family group photo outside the establishment.
